ANNOUNCEMENT OF THE SALES

OF THE

BUSHNELL, BRADBURY AND SHANNON COLLECTIONS.

DEAR SIR:

I have received the following letter from the Messrs. S. H & H. CHAPMAN, of Philadelphia:

We would respectfully inform you that the celebrated collection of the late CHARLES I. BUSHNELL, Esq., of New York City, has been placed in our hands to catalogue and sell at auction.

We expect to hold two sales within the next few months, viz:—

First.—The collection of Mr. H. B. BRADBURY, of Illinois, of American Coins, containing a collection of the United States series, including a 1794 dollar, very fine and rare dimes and half-dimes, half-dollars, cents, etc., and the collection of War Medals and Decorations of the late JOHN R. SHANNON, of Philadelphia.

Second.—The collection of the late CHARLES I. BUSHNELL, Esq., of New York City, of American Coins and Medals.

This will be the finest sale of this description held within the past fifteen years, and, perhaps, the finest ever sold. Mr. BUSHNELL collected only pieces pertaining to this country.

Among the Colonials; Washingtons and Early Patterns or Issues of the U. S. Mint, are some pieces of the highest rarity, and several unique, and specimens of which have never been sold at auction.

All the coins and medals are in the first possible condition, almost without exception, as Mr. BUSHNELL did not spare expense to improve the condition of them.

The Colonials include the Massachusetts Samaritan Shilling, unique; Brasher's New York Doubloon; New York Excelsior, George Clinton, Liber Natus; Inimica Tyrannis; Virginia Shilling; Lord Baltimore Shilling, Sixpence and Groat in Silver, and Penny in Copper, unique; a Chalmer's Shilling, unique, etc.

The Washingtons include four half dollars and cents in silver, one half-dollar, unique; naked bust cent; cents of 1791, etc.

The Early Patterns or Issues are complete, containing the large Liberty Cent, by Birch; the cent of 1792, reverse eagle on a globe, unique outside of Mint Cabinet; the Silver Centre Cent; the Disme and Half-disme.

In the United States Mint issues the 1794 dollar is fine and a good impression. Many dollars, half-dollars, quarter-dollars, dimes and half dimes are in extraordinary condition. The cents and half-cents are one of the finest series ever sold, etc. The proof sets date from 1854.

The collection of Medals is one of the finest in the country, containing 20 Silver Medals of the Peace of 1783, including the Libertas Americana; the Washingtons embrace several unique, and all the finest known, among them a set of the Season Medals in silver and copper. Those of Franklin, La Fayette, and the Presidents are very fine.

We will charge a small sum for the Catalogue of the Bushnell collection, and are, we may almost say compelled, to do so for several reasons, and the truth of which nearly every collector may observe.

The first reason is the enormous waste of catalogues under the free distribution; collectors receive a copy from each of the dealers with whom they are corresponding (some have informed us they are sent five to six copies of every sale), whereas, by issuing a notice and charging for the catalogues, a collector may send his order for it and for the sale to any dealer he selects. Some persons obtain and write requesting catalogues who are not collectors, and would not do so if they cost them anything.

We will print a less number than usual on the above account, and intend to make it a work of reference, and not spare expense in the execution of the letter-press. It will always be worth the price. Each copy will cost us for printing alone more than the amount charged.

The catalogue will be quarto size, with a large margin for binding, marking, and pricing.

We will publish a catalogue, with plates of quarto size, by the phototype process. It will require *ten plates* (10), and probably more.

All copies will be sewed and the plates will be mounted on muslin.

Many coins and medals will be illustrated, which have never been photographed or given on a photographic plate, which is the only process that can produce exact pictures of them.

This catalogue will be uniform with Crosby's "Early Coins of America." It will be a sequel to many of the "pieces belonging to an unknown owner" in his work, and which are not in his photographic plates. Mr. Bushnell was exceedingly jealous of his coins, and would not allow them to go out of his possession for the illustrations.

The price of the catalogue, postage paid, 4to., 50 cents.

Same. A printed list of prices to be sent after sale, $1.00.

The plate catalogues, 10 plates, quarto. A printed list to be sent after the sale, $5.00.

I would respectfully ask for your orders for the catalogues and the sale.

I enclose you the bills and will forward package the first thing Monday A.M. I hope everything will be satisfactory. In a few cases you will see I have expended you bid a little. I suppose your orders for my sale will come ahead tomorrow. I will enclose a gold piece in your package, with description given me by Dr. Arthur. Trusting all will be satisfactory, I remain

Yours of 20th at hand. I acknowledge the receipt of your check for $258.26 with thanks. I will send purchases from sale 29th (Britton) today. It was impossible for me to forward yesterday. My dear Sir

Your favor of the 7th at hand and contents noted. Your order on #326 in Britton Sale was $16.00 - #168 Ferguson Sale. I find was an error (on my part) in entering your order. Your price for #169 was $5.25 and I by mistake marked it for #168. I will make this all right on your next order. In regards the 1852 Dollar - in the Sale it sold for $68.00. I was offered the coin I sent you at $60.00 - it being a better piece and as your order with coin added was $57.75 I thought you would rather give a little more and secure

a better piece. #763 Ferguson
sale. I considered the cheapest
piece in the sale and others
agree with me. I am very
sorry you were not satisfied.
If you wish to sell it, I
think I can do so for you
at the price given #75.00. I
have run short of the Britton
catalogue and if you will
kindly send back the one
you have, will price and
return. Hoping to hear from
you soon and that Every
thing is satisfactory -

My dear Sir

Yours of the 6th at hand. Many thanks for your check for $263.41. I can not do any better on the pieces you selected. I sent you a letter telling you what reductions the owner would make, and he has allowed me another week. I will send the priced catalogues in a day or two. I sent you to day package valued at $2100.00. Containing the set of Cents + purchases from Steigerwalt sale. I bought very little for you as the pieces were very much over described. I consider $2000 a reasonable price for the

set here. They cost the owner
$3000.00 - These pieces were shown
at a meeting of the Numismat-
tic Society and pronounced
the finest set they had ever
seen. 1793 Liberty Cap. 1795 Thick-

the above cents are as fine
as any in existence. The 1796 1/2
cent is in my opinion finer
than the one which sold
in Haseltine's sale for $125.00 -
Some few pieces you can
improve on, but as a whole
it is a beautiful set. I think
they would sell for a much
higher price in an auction
sale. One dealer says he will
buy 9/10 if I will sell them
at auction, but I would
advise you to take them.

You keep such pieces as you may desire at the prices given and return me the balance. I am to see the owner (or agent) on Thursday, and hope to return the Coins or check for same. I will do my very best to get the pieces cheaper for you. The pattern 1877 Half Dollars I don't think can be purchased any cheaper

I will write to the party and
what he says about them. They
do not have to be returned by

Brooklyn, June 20th 1883.

J. H. Garrett Esq.

My dear Sir.

Your favor of the 19th at hand. & discovered the error I made in your account last evening. As happened is this way. I marked my catalogue when I looked at the piece not to give more than $100.00 & $105.00 for it. & made out your bill from my book and got the $105.00 down. I hope you will pardon the mistake as it was certainly unintentional. I have given you credit

for the $ 3.00. The 1804 Dollar
was $ 740.00 + Com.$ 25.00 = $ 765.00
I shall send you the
catalogues to-morrow.
Have just heard from the
owner of the lot of Coins
I sent you on approval.
He wants $ 925.00 for the 12 pieces.
If you want any of them
separate 10% off the prices
given. Hoping to hear
from you soon, I remain

Yours very truly
